# According to sub-paragraph 147 of Cabinet's Regulation compliance with requirements shall be confirmed with an interoperable vaccination certificate, test certificate or certificate of recovery issued in the United States, the United Kingdom, the Commonwealth of Australia, New Zealand or Canada. When entering from countries other than the United States, the United Kingdom, the Commonwealth of Australia, New Zealand or Canada, the fact of testing may be certified with a test result in English or in the language of the exit State. These documents may be in paper form or electronic form (in a smartphone).

+ According to sub-paragraph 148 of Cabinet's Regulation persons must have been tested for COVID-19 within the last 72 hours (detecting the SARS-CoV-2 virus RNA) or 48 hours (SARS-CoV-2 rapid antigen test) before boarding the vehicle of a carrier or entering the Republic of Latvia by a vehicle not performing carriage and the test result must be negative. If the person enters from a particularly high-risk country, it is mandatory for such person to undergo the test referred to in this Paragraph, even though such person has been vaccinated against COVID-19 or has recovered from COVID-19 infection.

& In accordance with Paragraph 159 of the Cabinet of Ministers Regulations, a person, except the persons referred to in Paragraph 167 of these Regulations, upon entering the Republic of Latvia, shall without delay, but not later than within 24 hours, perform a Covid-19 test at the nearest available test point, informing the laboratory representative of the purpose of performing the test, and shall immediately go to the place of self-isolation in accordance with Paragraph 160 of these Regulations until the test result has been received.

<sup>H</sup> According to the paragraph 5.59. when entering the Riga International Airport, a person (including persons who have an interoperable vaccination or recovery certificate) is provided with a possibility to undergo a RNA test free of charge in the territory of the Riga International Airport.
